SUN VALLEY BRONZE

Fine Solid Bronze Architectural Hardware

FOR IMMEDIATE RELEASE

SUN VALLEY BRONZE LAVATORY SINK & FAUCET COLLECTION

Sun Valley Bronze has expanded its plumbing collection with several distinct modern designs. The lavatory faucets are crafted with lead-free bronze, which is lined with stainless steel or NSF approved food-grade flexible tubing and assembled with lead-free brass alloy fittings (AB-1953). Available in silicon or white bronze, these fixtures are truly works of art.

in W1 finish.

Bellevue, Idaho – March 1, 2011

Celebrating 19 years. Family owned and operated, Sun Valley Bronze offers an exquisite collection of solid bronze architectural door, window, kitchen & bath hardware and accessories.

Design. Our finely handcrafted hardware is designed and manufactured at the base of central Idaho's beautiful mountains. Taking cues from the surrounding landscape and our area's rich history, Sun Valley Bronze artisans create distinctive hardware collections in a range of styles. Combine any of our knobs, levers or ring pulls with any escutcheon and choose from our elegant patina finishes to create a beautiful environment unique to you.

Sustainable. Lavatory faucets are supplied with "WaterSense" aerators, a step towards conserving our earth's water supply. The no-lead fittings meet California Law AB-1953. Sun Valley Bronze hardware is crafted using the highest quality art-grade bronze. The white bronze used in our products has been certified by Scientific Certification Systems (SCS) to contain a minimum 95% Pre-Consumer Recycled Bronze Content. The silicon bronze contains a minimum 90% Pre-Consumer Recycled Bronze Content. Sun Valley Bronze hardware can be used to earn LEED MR Credits 4.1 and 4.2.

State-of-the-Art. Precision machining and superior components ensure exceptional functionality and durability. Our commitment to quality guarantees Sun Valley Bronze hardware will deliver a lifetime of beauty.

In our home, and in yours, Sun Valley Bronze is sure to bring a timeless look to your doors, cabinets, kitchens & baths. We have a passion for what we do and an unmatched appreciation for quality and craftsmanship.

Our hardware has been much imitated but never equaled. From our patented, adjustable ball-bearing hinge to our hand-applied finishes, we invite you to experience the Sun Valley Bronze difference. We believe you will discover endless possibilities.
