

CUSTOM PATTERN FEES

Custom pattern fees are determined per design and are based upon the complexity of the pattern. Pattern Fees will be determined upon approval of drawings and before prototyping begins. Sun Valley Bronze pattern fees cover the cost of drawing and design time, vise jaws, original pattern making, cloning, and the match plate.

CUSTOM DESIGN TERMS & CONDITIONS

Sun Valley Bronze retains all rights to all custom designs made for clients. If a client wishes to retain the rights of a custom design, fees START at a rate of \$3500. Based upon the complexity of the pattern, this rate may be higher. The client must notify Sun Valley Bronze in writing of its intent to purchase the rights to a custom design prior to commencement of services. A client cannot purchase such rights after Sun Valley Bronze begins design services.
